SMALL BUSINESS LOAN PROGRAMS

GRDC's lending helps startups and existing Grafton County businesses grow and create jobs. Customized terms provide access to funds for a variety of business needs, such as machinery and equipment purchases, working capital, real estate, debt refinancing, and more.

BUSINESS INCUBATORS & ADVISING

The **Enterprise Center at Plymouth (ECP)**, located in downtown Plymouth, NH, features professional office and meeting space, access to free on-site business advising, as well as dynamic workshops and networking opportunities.

Driven by a diverse collaboration, **Dartmouth Regional Technology Center (DRTC)** in Lebanon, NH, supports new companies that are moving academic ideas into the business world.

GRDC works with the **NH Small Business Development Center**

to provide no-cost, confidential advising to local business owners and start-ups with marketing, financial, and other business needs.

GRDC WORKS COLLABORATIVELY WITH OUR LENDING PARTNERS TO HELP CLIENTS REACH THEIR GOALS.

75% OF ECP BUSINESSES ARE WOMEN-OWNED

“As a small business owner, I'm wrapped up in day-to-day operations. Participating in the 10-week Business Planning Course helped pull and shift my focus to the larger picture of growth.

- TINA, WORKSHOP PARTICIPANT

MICROLOANS

\$5,000–\$25,000 loans for micro-enterprises and small businesses in need of capital to start or grow a venture.

SMALL BUSINESS LOANS

\$25,000–\$475,000 loans for businesses and entrepreneurs planning to relocate, open, or expand a Grafton County business.

WEBSITE ASSISTANCE LOANS

Qualified businesses can receive a 0% interest, deferred payment loan to upgrade or develop their own website, up to \$2,000. Clients work directly with GRDC's small business advisor and web developers to ensure their new website is exactly what their business needs.

“Meeting with GRDC was really comfortable. Bob and Anne were very open and excited about what I was doing. They have been supportive, and I feel like they are on my team.

- SARAH, WAYSIDE INN
