TIME LIMIT: 2 hours

HOW PAY: ParkMobile App on Smart Phone  
(download for free)

3. Park at a meter on Main Street.

COST: \$1.00/hr.

TIME LIMIT: 2 hours

HOW PAY: Quarters Only

Note: If you will be visiting the ECP for more than 30 minutes, we advise you to avoid the free parking on the east side of main street (south of the rotary). While it may seem tempting to park for free and take the risk of getting a ticket for overstaying the 30-minute limit, parking enforcement is vigilant and the fine is \$30.00.
